On April 13, 2023, 17-015 Analytical Resources, LLC received an approval letter from the Alaska Department of Environmental Conservation's Contaminated Sites Laboratory Approval Program (CS-LAP). On July 12, 2023, you requested an amendment to your approval. This letter adds the compounds in the attached Scope of Approval to your existing approval.

Please attach this letter to your original approval letter and Scope of Approval issued April 13, 2023. The two combined letters and the Scope of Approval are the documentation of your approval through the CS-LAP.
